Second announcement

INVITATION

Welcome to the 15th International School-Conference "Magnetic resonance and its applications" (Spinus 2018) organized by Saint Petersburg State University in April, 1 – 6, 2018. The goal of "Spinus" is to provide a platform to young scientists for the use of all aspects of magnetic resonance methods and techniques, as well as computational and theoretical approaches, for the solving of fundamental and applied problems in physics, chemistry, medicine and biology. The number of participants is limited by 200 persons.

SCOPE

The scope of the Conference includes the following topics:

- Modern trends in NMR, ESR and NQR
- Magnetic resonance for fundamental science
- Magnetic resonance imaging
- Computer Modeling
- Earth's field NMR
- Magnetic resonance in industry
- Related areas

The official language of the "Spinus-2018" is English (strictly).

Extended abstracts will be published in the Book of Abstract.

Selected papers of participants will be published in a special issue of "Applied Magnetic Resonance".

REGISTRATION FEE

The registration fee is 9900 rub. (≈150 €) for active participants and 4900 rub. (≈70 €) for young scientists (students and Ph.D. students) and accompanying person. For Russian citizens (their participation is supported by Russian funds) the fee is 3000 rub and 1500 rub, respectively. Registration fees include organization costs, "Spinus 2018" materials, welcome-party, coffee breaks, transportation in the days of arrival and departure.
